

## Camp Rules

(Enter 2 friends (guys) super excited for camp and dressed silly for camp)

Friend 1: Hey I'm so excited for camp this year! I can't wait! I've got everything I need, Bible, pen, paper, my handy dandy bracelet, phone for texting all my new friends, Oh and this year!!!! My group's going to win all the games!

Friend 2: Ok, slow down a bit. Camp isn't about winning or texting all your new friends.

Friend 1: Huhh?

Friend 2: Like for instance, phones have to be switched off. You can't be texting your friends all the time.

Friend 1: (Laughing while receiving a text)

Friend 2: (Annoyed and takes the phone away.) We're here to have fun and learn, but we also have to respect others, which means, not texting while the teacher is talking. And, no cheating...It's not fair to others and then the game is not fun.

Friend 1: Ok, OK, but!

Friend 2: Wait, we can't go off grounds unless camp has finished or we have permission.

Friend 1: We can't!? But?

Friend 2: We can't but we're going to have so much fun, we won't want to miss it!

Friend 1: Well..... One thing I know for sure.... (stops mid sentence as a pretty girl in a short skirt walks by – whistles)

Friend 2: (Throws girl a khanga to put on) We're not here for that! We're going to have fun, make friends. Learn about God and have a great time in games and music!

Friend 1: Games! Music! Really! What else?

Friend 2: But we also have to get here on time. See that table up the hill there? Yeah the one with the long lines. By the way, have you passed through registration today?

Friend 1: What?! You mean we have to register?! You mean I won't get to do all that stuff if I'm not on time and register!! (panic mode – calls out while running out) Wait! Wait for me! I need to register too!!!!
